The sudden death of Mrs. Marcia Sykes, which occurred on the morning of the 2nd of March, sent a shock to many hearts. She had been unwell for a few days previous, but was able to be about, and was sewing only the day before. It was probably paralysis of the heart. Although she had just passed her 80th birthday, she had the appearance of being much younger. She was the widow of Henry Sykes, and during the 15 years since his decease, by her cheerful disposition and sunny temperament, she has been the light of the household, not only in her own home but also of relatives and acquaintances. At her funeral Wednesday afternoon Mr. Pratt read the 91st Psalm, making appropriate remarks; the choir sang 157th hymn from "The Book of Worship," also 298, a favorite of hers. Choice floral offerings adorned her casket. A large circle of friends were present and many from adjoining towns who had known and loved her. Also her son, Leroy Sykes, and wife of Massachusetts, were present. She was a worthy member of the Congregational church for over 40 years. Her uniform kindness to the poor and to the unfortunate, her loving, motherly heart, in ministering to others, endeared her to all and leaves a void that is surely felt, still we can but feel that hers was an enviable death. A moment before in pleasant converse with the family and the next translated to the Heavenly mansions, and as we trust, reunited to her companion and other loved ones who have preceded her.

The following is a copy of the roll of Capt. D. Gray's Company, it being the 2nd Company of Light Dragoons attached to the 2nd Regiment 1st Brigade and 2nd Division of the Militia of the State of Vermont. The original roll is in the hands of Capt. Gray's grandson, Mr. H. C. Gray. Thinking perhaps it might be interesting to the people of Manchester, Arlington and Sunderland, reaching back as it does to 1810, we ask the JOURNAL to publish the roll: Captain, Dominicus Gray; 1st Lieut., Stephen Chipman, 2nd, Roswell Aylsworth; 1st Sergt., Gideon Bronson, 2nd, Joshua Jewell, 3rd, Joseph Holden, 4th, Thomas Sheldon; 1st Corp., Alonzo Lockwood, 2nd, Ed Gilbert, 3rd, John Pettibone, 4th, Gordon Farwell; Cornet, Cyrus Armstrong; Musicians, Rufus Harmon, Andrew Darby. Privates: Ruben Andrew, Nathan Andrew, Jos. Burton, Wm. Bowen, John Barron, Daniel Baldwin, Anson Canfield, Sacket Canfield, Isaac Canfield, Benajah Cook, Nois Dimick, Ruben Dowd, Syrenus Dorey, Elou Dewey, Isaac Farwell, Alfred Fields, John Govey, Abel Govey, Synamus Hard, Augustus Kilborn, Silas Knapp, Hubbell Lathrop, Orin J. Martindale, Joseph Montgomery, Anson Munson, David Matteson, Wm. Ostman, Levi Parry, Jacob Pitney, Elias Richardson, Morton Rose, Jacob Spencer, Cyrus Shoals, Wm. Wendell, Harmon Whiteaker, James Whipple. Making 50 men in the company. The following alterations were made after June, 1810: Captain removed, one private removed, one private discharged for disability, and one private returned to Capt. Hawley's Company.

A large and intelligent assemblage filled the audience room of the Methodist church in this place Friday evening, the 7th inst., to witness the rendition of Ye Olde Folkes concert, etc. Popularly speaking it was a success. The acting was good, the singing excellent; the young ladies beautiful and the efforts of the company elicited frequent and hearty bursts of applause. The "Sacred Hymns and Tunes, also Worldly Songs," were well rendered, but we would designate "Widow Bedotte and Elder Snidely," (play) by Mrs. E. Hamilton and Mr. Fields; the song "When George the III was King," by W. K. Hoyt; the song "Willie Boy, come Home," by Miss Frankie Townsend, daughter of Rev. Mr. Townsend, and the solo and chorus "Cousin Jedediah" as deserving special notice. The speaking and acting in the play was simply perfect, and if any "Willie Boy" on earth could resist the plaintive, bird-like tones of Miss Frankie's pleading voice his heart must be made of sterner stuff than ours. Mrs. Barnette

accompanied, performed her part admirably and of course contributed largely to the success of the evening, never drowning the vocalization as some accompanists do but furnishing just the right volume of assistance. The tableau "Flood Miss McBride," from one of Sax's Poems, was personated by Miss Ella Townsend, the poem being read the while, and it the lady was a representation of the vision in the mind of the poet we wonder not that she exclaimed:

"O, terribly proud was Miss McBride, Proud of her beauty and proud of her pride, And proud of fifty matrons beside That would bear her faction."

She certainly seemed "The very personification of pride." Of course the tableau brought down the house. The exercises closed at 10 o'clock and all went to their homes satisfied with an evening well and pleasantly spent.

Another child of Elijah Munro was buried Thursday, 6th inst., making three from the family which have died from diphtheria. Another and the last is sick with the same disease.

Hon. W. F. Taylor offers the John Millard farm of 170 acres for sale at a low figure.

The hotel and store of the late M. Hall will be sold at auction, at Center Berlin the 15th inst.

Millard Menter has the contract for carrying the mail from East Poestenkill to Troy. In getting the contract he incurred the enmity of Mr. W. A. Smith, his predecessor, who ran an opposition stage until this week when he quietly hauled off. We congratulate Menter on his bloodless victory.

Stanley Winchester has removed to Pawlet.

Z. L. Babbitt has quit the employ of our postmaster.

On the 15th of February Mrs. Bradford Wilbur, who had that day arrived at the age of 70 years, was the recipient of several gifts by friends and neighbors who made her a surprise visit, bringing refreshments with them, for all of which Mrs. Wilbur returns her thanks.

Not Deserving of Pity.
 Begged spendthrifts, to whom money has no exchange value but pleasure. Persons who will persist in dying by inches with dyspepsia and liver diseases, when Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets are unfailing remedies for these maladies. Parents who spare the rod and ruin the child. Fast young men and women are generally spoiled children to begin with. People who suffer from Catarrh, when Dr. Sage's Catarrh Remedy is a safe, reliable, and well-tested remedy for this loathsome disease. People who marry for money, and find too late that the golden glitter is all moonshine. Women who suffer death every day of their lives, when Dr. Pierce's Barometer Prescription will effectually remove those painful weaknesses and impart a healthful tone and strength to the whole system. People who live beyond their means and find that style and pride, like everything else in this world, unless placed upon a sound foundation, are subject to the law of gravitation. Invalids who do more toward fostering disease, by living and sleeping in the low unventilated rooms of the ordinary house than the best medicines can accomplish toward recovery, when at a moderate expense they can secure all the hygienic and sanitary advantages of the Invalids' Hotel at Buffalo, N. Y. Every physician knows how much recovery depends upon good nursing and the hygienic conditions of the sick room. Chronic diseases are especially subject to these conditions.

A WORD TO OUR SUBSCRIBERS.
 At this season of the year when so many of our patrons are afflicted with the prevailing Influenza, which is almost epidemic, it gives us great pleasure to call attention to the following letter (which speaks for itself) from Rev. N. H. Downs, or Elder Downs, as he was familiarly known. N. H. Downs' Eliza has no equal, we are told by hundreds who have used it, for the speedy cure of Coughs, Colds, Whooping Cough and all Lung Complaints.

From my first remembrance I have been habitually inflammatory and subject to cough and great irritation of the lungs from the slightest causes. Have had in early life many fevers, generally attended with a severe cough, which physicians have found difficult to manage. Many of my family relatives have died with consumption—one brother in February, 1827; another in November following; both of consumption. In March, 1828, I was attacked with a most severe cough, which soon con-

fined me to my room, wasted my strength fast, accompanied with raising much blood and bad matter, which continued more than four years; so the most eminent physicians considered my case hopeless. However, in June, by the use of some of the articles of which the Balsamic Elixir is composed, my health so improved that, with diffidence, I could go to the opinion of friends and physicians; unless some means could be devised to stop its progress. As the spring came on I determined, if possible, to find a remedy for my cough. I commenced again the use of the several articles of which the Balsamic Elixir is composed, and, by confining myself to the use of these, and receiving no other medical aid, and by diet, enabled me (though with much difficulty) to pursue my calling, which was very trying to my lungs. In March, 1832, I had my last severe attack of bleeding, during which time I nearly consumed the Balsamic Elixir, so that a free use of it a few weeks entirely cured me. Since which I have never been troubled with spitting blood and have been almost entirely free from cough; although previous to that I had suffered as much from cough as any man of my age. I have since given it to hundreds for the above curly, I could walk abroad. My health through the summer and fall continued to improve, so as to enable me to pay some attention to my calling. But in February, 1829, my complaint came on complaints, and in nine cases out of ten it has had its desired effects. And, further, I have never known it to produce any unhappy effect, and know it to be perfectly harmless and safe in all cases for which it is recommended. It is, therefore, from a sense of duty to myself, to the suffering, and a love of humanity that induces me to offer and recommend this article. I am aware that in so doing it exposes me to the sneers of the superstitious and incredulous, and what is worse, to the censure of those who have been imposed upon by many useless articles, which have been palmed upon them by their high recommendations, for the same complaints.

 N. H. DOWNS.
 An Astonishing Fact.
 A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life nearly burdensome instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and and your friends, and try one bottle of GREY'S ANGIOLIN FLOWERS. You will find relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory result in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all Druggists on the Western Continent.

You must Cure that Cough.
 With Shiloh's Consumption Cure you can cure yourself. It has established the fact that Consumption can be cured, while for Coughs, Life-threatening Whooping Cough, Asthma, and all diseases of Throat and Lungs, it is absolutely without an equal. Two doses will relieve your child of Croup, it is pleasant to take and perfectly harmless to the youngest child, and no mother can afford to be without it. You can use two thirds of a bottle and if what we say is not true we will refund the price paid. Price 10 cts. 50 cts. and \$1.00 per bottle. If your lungs are sore or chest or back lame use Shiloh's Porous Plaster. Sold by Wait & Hard, Manchester and Factory Point, Vt.

DRUGGIST AND PHYSICIAN.
 A physician complaining bitterly about dull times, went to his drugstore to find out the reason why, at this season of the year, his practice was not so extensive as formerly; also, to find out what endorsements his brother medicine offered to attract away his patients. He was startled when his druggist answered as follows: "Doctor, coughs and colds are very prevalent, but every one is purchasing HALL'S HONEY or HORSKHOOD and TAR. Sold by all Druggists. Depot, 7 1/2th Avenue, New York City. C. N. GREENE, Sole Proprietor. Price 30 cents and 41. Large size much the cheaper."

PICK'S TOOTHACHE DROPS, cure in one minute.

Saved from Misery! Blood With Life!
 Dr. Saxe's "Sole" I write you to express my thanks. I have suffered for the last eleven years with a running sore that the doctors found impossible to heal. I noticed your advertisement of Dr. Saxe's New Blood Remedy so many times I thought I would give it a trial, after using Kennedy's and several others. I had not the least faith that it would do me any good, but like a drowning man I caught at a straw and was saved. I have only used four bottles and on my 50th, to make it a sure thing. The sore has healed. I am stronger, and have only Dr. Saxe's New Blood Remedy to thank for it and that after all doctors had failed.

Yours truly,
 JANE E. TRESCOTT.

The Best Yet!
 Have you seen H. W. And A Co's FOLDING EAGLE MIRRORS? They are certainly the most perfect invention for the purpose ever invented. For years inventors have been taxing their brains to invent something that would "definitely and safely protect the face and neck from colds" at the same time avoiding the danger from profuse perspiration, which the old worsted wrappings engendered. This great desideratum has at last been found by the invention of THE FOLDING EAGLE MIRROR which is a most safe arrangement as it fits all persons, no matter what age. The mirror is made of silk value, or the finest sort of different kinds, and lined with silk. The manufacturers are H. W. And A Co., Bloomington, Pa., and a retail card will bring you circulars fully describing these meritorious articles, also explaining how they preserve the skin in many ways. The Company want agents, either ladies or gents, and it is one of the best openings ever offered.
